PARTNER PORTAL

Owners Bank offers a streamlined Partner Portal designed for strategic partners. This portal facilitates the initiation of leads, data and document aggregation, and a step-by-step walkthrough of the loan application. This leads to quick borrowing decisions. Every piece of data is tracked within the partner portal, enabling clients and partners to seamlessly add information as needed for a comprehensive loan package submission. The process is made even simpler with the ability to pause, save progress, and continue, ensuring all application requirements are met before hitting the "Submit" button. **It's that easy!**

PARTNER BENEFITS:

- **Dedicated Small Business Focus:** Exclusive attention to the needs of small businesses.
- **Flexible Financing Products:** Small business lines of credit and term loans.
